| 2023 Arts Dollars Application

Return Applications to 300 Civic Center Plaza #244, Quincy, IL 62301

Dear Partner Organization:

The Arts Quincy Arts Dollars program was started in 1996 and is designed to support arts events throughout the community. These awards are intended to increase access for underserved communities such as minority groups, disabled/special education populations, veterans, low-income families, at-risk youth, or other underserved populations. They are funded in part by the Illinois Arts Council, the National Endowment for the Arts, the Stillwell Foundation, The Community Foundation, and the individual and business members of Arts Quincy.

This program is intended as a **CASH MATCH of up to \$500** in support of arts events or programs that are hosted by an Arts Quincy Partner Organization. School associations (including PTAs) are included under the umbrella of their affiliated school's fine arts department. Individual artists are not eligible for this program.

Applications will be accepted through Tuesday, Nov. 15, 2022 and your program must take place between January and December of 2023.

Projects must meet the following criteria:

- The project or event must take place in 2023 and be hosted by an Arts Quincy Partner Organization or local school.
- Increase access to music, art, theater, dance, history, literacy or humanities in Adams County.
- If your organization has been funded in the past year, you must turn in your program evaluation prior to being considered for new funding. Incomplete evaluations will disqualify an organization from the 2022 funding.
- Max award is \$500 in matching funds (Which means Arts Quincy cannot provide more than 50% of your program's total cost.)

Priority will be given to projects that:

- Introduce the arts to new audiences
- Increase access for underserved communities such as minority groups, disabled/special education populations, veterans, low-income families, at-risk youth, or other underserved populations
- Encourage new work or innovative projects
- Facilitate low-cost and free arts opportunities throughout the community

We do not fund:

- Capital improvements, purchase of real property or equipment
- Past costs or accumulated deficits
- Direct grants to individuals

Review Process:

The review panel will be looking for a commitment to a quality event/project that is innovative and increases access to the arts to the community. Potential impact will be evaluated and you are advised to clearly connect the goals of your project to its impact in your project description. Incomplete applications will not be considered. Review will take place in the first part of December and applicants will be informed of their status no later than the second week of January.

Timeline:

- November 15, 2022: Applications Accepted
- November 2022: Panel review and recommendations
- December 2022: Board and Executive Review and approval
- January 12, 2023: Award notifications sent to organizations and funds become available
- Evaluations due 3 weeks after completion of your project
- Photos or copies of publicity are appreciated with your evaluations

Partner Organization Name: _____

Tax ID Number: _____

Grant Request Amount (Max \$500): _____

Project Title: _____

Address: _____

Contact Person: _____

Email: _____
