for details.

Arts Quincy is partnering with Illinois State Senator Jil Tracy and area students to send some cheer to our beloved seniors in area nursing homes and assisted living facilities this holiday season! We are collecting holiday cards and messages for residents that are hand-crafted by students throughout the area.

Local students crafted over 1200 cards at Valentine's Day in 2021 for this program, and we're hoping to spread even more holiday cheer this Christmas!

For your group or classroom to participate, please email [office@artsquincy.org](mailto:office@artsquincy.org). Limited funding for art supplies may be available for eligible groups through our Instant Arts program.

Individuals may also participate  
by dropping off handmade cards to:

**Drop-off locations:**  
**Arts Quincy**

Located inside the Oakley  
Lindsay Center, 300 Civic
